Sal Khan, grunnleggeren av Khan Academy: «Let's use video to reinvent education.»

And so the paradigm is the teacher walks in every day,

➤ Ikke skal være  
«edutainment»

*Edutainment: entertainment (as  
by games, films, or shows) that is  
designed to be educational.*

A clipboard with a silver clip at the top, holding a white sheet of paper. The paper contains text and two symbols.

➤ Ikke skal fokusere på kunnskap som har et fasitsvar.

A pair of pink headphones with a black headband and a black pushpin are visible in the background. The pushpin is pinned to a light pink rectangular box containing text.

Utvikle kompetanse i å diskutere, vurdere, ta stilling til, utforske og drøfte komplekse problemstillinger.

Why is Romeo and Juliet still relevant today?

## 2B

The preparation material has examples of official apologies that have been given, or are called for. Create a text in which you present and discuss one or two issues where some people think authorities, institutions or groups should make amends for past or present wrongs. The issues must be related to an English-speaking country or countries.

Give your text a suitable title.

## Oppgave 1

Tekster: Alle tekstene i forberedelsedelen

Skriv en resonnerende tekst der du reflekterer over temaet inkludering og utenforskap. Trekk inn én eller flere tekster fra forberedelsedelen.

➤ Ikke skal lages for et idealklasserom og en fiktiv elevfigur som ikke finnes

➤ Jeg vil ha  
teknologi som ikke  
fører til en  
behagelig stillhet i  
klasserommet.

# Sherry Turkle «Connected, but alone» (2012)

*"... someday, someday, but certainly not now,  
I would like to learn how to have a conversation ..."*

I'd like to learn how to have a conversation."

*« We must listen when technology says it will take something complicated and promises something simpler. »*

Lots of  
videos

How did I  
get started?

I want to talk a little bit about really just how I got started.
